🔒 **Eliminate "Shadow AI" Leaks:** When employees use free or \$20 personal AI accounts, your company's trade secrets, client contracts, and financials are ingested into public AI training sets. Our commercial workspaces lock down 100% IP ownership.

📅 **Predictable 6-Month Provisioning:** Enterprise foundation providers require a 6-month upfront seat reservation (\$90 total for Pro / \$150 total for Elite, billed at \$15/mo or \$25/mo), locking in your wholesale discount.

⚡ **72-Hour Turnkey Seat Delivery:** No 6-month enterprise sales calls or 100-seat minimums. Start with 1 seat today or deploy 250 seats via NET30 Invoice.
