Why Schools & Universities Choose RoboParaPro

- ✓ **100% Zero-Training FERPA & COPPA Privacy:** Retail \$20 accounts train public models on student essays and IEPs by default. Our commercial Business & Team workspaces never train on your data.
- ✓ **Frontier Commercial Models Included:** Full access to **ChatGPT SOL 6.1 (featuring Astra & Terra)** and **Claude Team (Sonnet-Opus 5 + Fable 5.1* via workspace credits)**.
- ✓ **TextVey Lesson & IEP Library:** 30-second 3-tier reading differentiation (Emerging, On-Level, Advanced), rubric grading, and special-ed IEP goal tracking.
- ✓ **100% Grant & Tech-Fee Eligible:** Qualifies for K–12 Title I, Title II, Title IV, IDEA, Section 31a, and University **SGA Student Technology Fees** via NET30 Purchase Order.

Exclusive Digital Red Pen™ Pre-Class Verification Protocol (5 Daily Fact & Rubric Checks)

Single AI models hallucinate fake citations and math errors. Our built-in **Digital Red Pen** cross-examines Claude outputs against ChatGPT Business (Astra & Terra) to catch errors before teachers print handouts or students submit research papers!

**72-Hour Workspace
Delivery SLA**
